

# SUPERFAN

## INTERACTIVE EXPERIENCE

# BRAINSTORM

come up with three different ideas of themes + interactive features

PHASE 0

## Idea 1:

Theme

Create your own Nike Dunk! 10 different colors to choose from. You start with a white silhouette and click on each component of the shoe to change.

Interactive JS Feature #1

Color changing from white to something else

Interactive JS Feature #2

When you click, there is a clicking noise

## Idea 2:

Theme

Interactive page that showcases different movies Timothee plays in.

Interactive JS Feature #1

Click on a different Timothee from a different movie and it plays a clip+sound

Interactive JS Feature #2

Resets to original still shots.

## Idea 3:

Theme

Interactive "PacSun" site! It will mimic a PacSun site but it will be a brand by me. You can add things to cart and have different drop-down menus.

Interactive JS Feature #1

Words change to images (Ex. Clicking the drop-down menu.)

Interactive JS Feature #2

Cash register sound when you add something to cart.

# EVALUATE

think about the good and bad for each idea then choose one

PHASE 1

Pros/Cons of Each Idea:

	Pros	Cons
Idea 1:	-creativity -interactive -game style	-boring -simple -may be hard
Idea 2:	-Timothée Chalamet -Original	-Finding clips that are free -Audio matching clips -Not very interactive
Idea 3:	-engaging -Can create lots of different sections	-Lots of titious functions -Difficulty
